

# INFORMATION SESSION

## Demystifying regimes of protective supervision and protection mandates\*

presented by **Pro Bono Students**

**November 16<sup>th</sup>, 2017**

**6 p.m., studio 4, YWCA Montreal**

### How do I start this conversation with a loved one?

- You're wondering about your rights and obligations with regards to a senior family member or friend you are caring for?
- You would like to know more about protection mandates or regimes of protective supervision such as **tutorship** and **curatorship**?

**Me André Phan, notary, as well as volunteer law students from our Legal Information Clinic will be on hand to answer questions.**

**Open to all!**

**\*This presentation is given in French only.**
